My love, passion and commitment for assisting my friends, family and neighbors to realize the dream of home ownership has driven me to excel in the real estate industry! Raised South of Silt, Colorado, I developed a deep love and appreciation for our local wildlife, access to public land and the uniqueness of western slope community.

It is our duty and responsibility to create and maintain, healthy and meaningful relationships with family, friends, communities and our planet. The confidence and knowledge needed to achieve this begins in the safety, security and comfort of Home! It is my professional mission to help make your next real estate venture a dream come true! The market is really moving, if you're curious about your home's value or home ownership, give me a call!

RENE is wholly owned by REBI and focuses specifically on real estate sale negotiation. Formerly the Council of Real Estate Brokerage Managers (CRB), REBI is a not-for-profit affiliate of the National Association of REALTORS®.
